

### Suggested School Supplies for Mrs. Patten's Class

- Small box of Crayons (not more than a 24 pack)
- Small pencil box or zippered pencil case
- Plenty of extra sharpened pencils
- (3) Two-pocket folders – one for each subject and labeled with your first and last name:
  - Reading/Writing
  - Science/Social Studies
  - Unfinished Work

I will provide a home folder for each student, which will be labeled: “stay at home” and “return to school” (for notes and homework)

- Glue stick
- Pencil erasers
- Colored pencils or markers (If they fit in your pencil case)
- 1 box of tissues
- Yellow Highlighter
- Scissors
- Ruler with inches and centimeters (It is important that it has centimeters as well!)
- \* Please bring in a 1 inch white 3 ring binder which has a clear sleeve on the front. This will be our writing portfolio for the year. The clear sleeve on the front is important for our cover page. This binder will stay in a special spot in the classroom, not in your child's desk.\*

Please do not bring any items that will not fit into the desks, such as binders, as we do not have the space. Also, please do not bring individual pencil sharpeners. They can make a big mess, and we have two pencil sharpeners in the room.

\* Please label supplies with your first and last name. \*
