Senior Project Rubric

Senior Project Rubric is due to Advisor by the second week of December. Failure to comply with this deadline will result in a **SATURDAY DETENTION**.

Student Name_____Project Title_____

Advisor_____

The rubric is a required element of the CHS Senior Project process. Because each senior has designed her or her own project, it is important that each project has its own rubric IN ADVANCE so that all members of the project evaluation team know what to look for when assessing the final project. If you need additional space please put it on a separate sheet of paper and attach to this paper.

Instructions: Most of the required items for the Senior Project have been filled in for you. This rubric will be used to assess your project as Pass or Fail by your evaluation team. Think in the following terms:

Required step #1: What did you have to do to make the project possible? (e.g., finding a suitable mentor, planning, signing up for a course, etc…)

Required step #2: What did you have to learn to do the project? (e.g., learn to play the guitar, learn file organization, learn how to use a program, etc…)

Required step #3: What will you take with you when you are finished? (e.g., instrumental knowledge, organization skills, certification in CompTIA A+, etc…)

Date:_____Mentor Signature:_____

Date:_____Student Signature:_____

These signatures reflect that this rubric adequately establishes the benchmarks of achievement that will be the basis of providing a pass/fail grade on this project. This rubric should reflect a minimum of 40 hours of work in addition to the other requirements put forward in the Senior Project Guidelines.
