

## Think Central Directions:

1. Go to <https://www-k6.thinkcentral.com>
2. You will need to use the drop down menus to select your country, state, district and school. See picture below:

The screenshot shows the Think Central login interface. At the top, it says "Welcome to THINK central". Below that is a dark blue header with the text "Students, Teachers, and Administrators". The main form contains several fields: "Country:" with a dropdown menu set to "United States"; "State:" with a dropdown menu set to "NEW HAMPSHIRE"; "District:" with a dropdown menu set to "School Administrative Unit 27, Litchfield 03052"; "School:" with a dropdown menu set to "Litchfield Middle School, Litchfield 03052"; a checkbox labeled "Remember my school" which is checked; "User Name:" with an empty text input field; and "Password:" with an empty text input field. Below the password field is a "Log In" button. At the bottom of the form, there are three links: "Teachers and administrators only", "Forgot User Name", and "Reset Password". Below the entire form area is a blue button labeled "Evaluators Click Here".

\*It is IMPORTANT that you choose School Administrative Unit 27- Litchfield 03052

3. Check the box that says, "Remember my school"
4. Your user name is your first letter of your first name and your last name followed by the number 24. For example: jdoe24
5. Your password is Student123! (Remember you MUST capitalize the S in student and include an exclamation point!)
6. Click "Log In" and you are ready to rock!

Think Central will be used a lot throughout the year, mostly at home. This website has all the stories from our anthology included in it and it is important to reread those stories in preparation for your tests and quizzes. We will also use this site for writing as well. Stay tuned for more information on that and the app that comes with our book series!
