

Guidance Program

Curriculum

Help students develop their full educational potential, including the student's interests and career objectives.

Responsive Services:

Intervene on behalf of any student whose immediate personal concerns put the student's continued educational, career, personal or social development at risk.

Individual Planning:

Guides individual student academic planning and educational, career, personal and social development.

System Support:

Support the efforts of teachers, staff, parents and community in promoting the educational, career, personal and social development of students.

What Do We Do?

- Individual counseling
- Consult with teachers & parents
- Coordinate career exploration in Health Class & Freshmen Seminar
