

Lynx in the Loop

May 26, 2023

Today we ended our day with a beautiful assembly put on by our Band and Chorus students with guest speakers from our faculty and staff. Students were reminded of the purpose of the day off on Monday to honor those fallen heroes who fought and died for our country. The chorus sang "In Flanders Fields," and Mrs. Dionne and her Art students created the field of poppies you see pictured above.

Our sports teams are finishing up the season strong we are proud of the way our Boys' and Girls' Lacrosse Teams represented teamwork and sportsmanship as they completed their first partial season this year, we can't wait to see how they do next year! The Boys' Baseball team and Girls' Softball teams are both racking up the wins for LMS as well, we look forward to watching them in the playoffs! They both will have games coming soon since the girls finished in 1st place and the boys in 2nd! Keep your eye on the calendar for how you can cheer them on in the coming weeks.

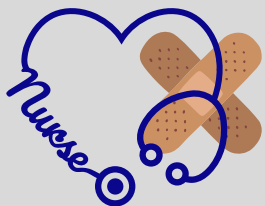

We are looking forward to our "modified" Terry Fox Day here at LMS on June 8th. Students will be walking to raise money for the Norris Cotton Cancer Research Center. Prizes will be awarded to the BEST with the most participation and greatest amount raised towards this worthy cause. Also for a little bit of an EXTRA motivator... the BEST with the most raised will get to SLIME the principal on Terry Fox Day! It is worth the slime if it raises money for Cancer Research and gets our students involved in this worthy cause!

All the BEST,
Jen Grantham and Martha Thayer

CHROMEBOOK
COLLECTION
6/9/2023**

In order to be able to better track our student Chromebooks, and to have an opportunity for IT to take a look at them this summer, we will be collecting ALL student Chromebooks on 6/9/23. Students will be checking them in with their HOME BEST teacher on Friday, 6/9/23, where the current condition of their Chromebook will be tracked and indicated. In the Fall, students will be signing and understanding the care and acceptable use policy to be re-issued their Chromebook. This had been signed by parents in the past as part of the PowerSchool information updates.
