

Appendix A

Affirmation of Consultation

Representatives of Local School District, Parents of Parentally Placed Children and Private School

I. Local School District _____

Private School _____

Date of Consultation _____

For July 1, 2010 through June 30, 2011

II. This notice affirms that the representatives of the above named school district have engaged in a timely and meaningful consultation with representatives of the above-named private school and parents of parentally placed students.

III. Issues discussed in the consultation include:

1. Child Find – How parentally placed private school children will participate equitably.
2. Child Find – How parents, teachers, and private school officials will be informed of the district's year-round child find activities.
3. Meaningful Participation – How the consultation process will operate throughout the school year to ensure that parentally placed private school children have the opportunity to meaningfully participate in special education and related services.
4. Proportional Share – What the proportional share of federal IDEA Part B and IDEA Part B Recovery funds is for private school students placed by their parents. How this amount is calculated by the school district.
5. Special Education Services –
 - A. How special education and related services will be provided for these students.
 - B. Where special education and related services will be provided for these students.
 - C. Who will provide the special education and related services for these students?
 - D. What types of services will be provided: Direct services, Contract services, Alternative service delivery mechanisms.
 - E. How services will be apportioned if the funds are insufficient to serve all parentally placed children.
 - F. How the decisions in A – E will be made.

IV. If the school district and private school officials disagree on the provision of services or types of services, the school district will provide the private school official a written explanation of the reasons why the school district chose not to provide the services in dispute. If this disagreement has occurred, the school district's explanation is attached to this document.

V. The following representatives have been involved in this consultation:
