

A message from LITCHFIELD SCHOOL DISTRICT SAU 27

Good Morning, Litchfield!

Please read everything carefully so we get a complete and accurate response from parents. We will be making teacher assignments based in part on the data we collect this week. A response to the survey is required by this Friday (8/14/2020) at 4:00 pm.

Last Thursday, the Litchfield School Board approved our local plan for reopening schools during the on-going COVID-19 pandemic. This plan is the result of lots of hard work by dedicated staff, students, parents and members of the community. While the Task Force came to understand no plan could be perfect, we have developed the best possible local plan that is flexible to the current conditions.

The final school reopening plan can be found [HERE](#).

The updated school calendar for 2020-2021 can be found [HERE](#).

The fall enrollment survey for parents can be found [HERE](#). Please complete ONCE per student no later than Friday afternoon.
