LITCHFIELD SCHOOL DISTRICT - SAU 27

Our mission is to provide rigorous and varied educational opportunities that challenge and engage all students to attain their highest level of intellectual, social, physical, and emotional growth. (2007)

LITCHFIELD SCHOOL BOARD

Litchfield, New Hampshire 03052

Draft Minutes for May 5, 2021

Location: Litchfield Town Hall

C. Harrison, Chair
B. Bourque, Vice Chair
School Board Edition

In Attendance:

C Harrison, Chair
B Bourque, Vice Chair
E MacDonald, Board Member
Heide Ames, Board Member
T Hershberger, Board Member
Dr. Michael Jette, Superintendent
Cory Izbicki, Business Administrator
Dan Mitchell, Principals, GMS
Michele E. Flynn, Administrative Assistant

(Agenda items may not be in the order in which they were addressed.)

I. PUBLIC SESSION

A. Call to Order

Mrs. Harrison called the meeting to order at 5:05 p.m.

B. Pledge of Allegiance

C. Review & Revision of Agenda

There were no revisions to the agenda.

D. Summary of Non-Public Actions from April 21, 2021:

Mr. Bourque made a motion to approve the non-public minutes of April 7, 2021. Mrs. MacDonald seconded. The motion carried 5-0-0.

Mr. Bourque made a motion to accept the resignation of Catherine Devine, CHS Science teacher. Mrs. MacDonald seconded. The motion carried 5-0-0.

Mr. Bourque made a motion to accept the resignation of Raheem Chowdry, CHS Science teacher. Mrs. MacDonald seconded. The motion carried 5-0-0.

Mrs. Harrison made a motion to accept the resignation of Rena Caron, LMS Science teacher. Mr. Bourque seconded. The motion carried 5-0-0.

Mrs. Harrison made a motion to accept the resignation of Amanda Huyler, LMS Guidance. Mrs. Ames seconded. The motion carried 5-0-0.

Mrs. Harrison made a motion to authorize the Superintendent to reclassify four SAU positions from hourly to salary. Mrs. MacDonald seconded. The motion carried 5-0-0.

E. Presentations and Recognitions

There were no presentations or recognitions.

F. Community Forum Public Attendance: by Google Meet only

There was no public input.

G. Correspondence

Mr. Bourque reported that an email was received from Kathleen Doucette regarding a policy on desk cleaning. Mr. Bourque indicated that he responded that there is no policy regarding desk cleaning, but that guidelines were created with the reopening plan. However, the CDC has since updated the need for wiping down hard surfaces. He noted that desks are wiped down every night.

H. Comments:

- Superintendent:
- Enrollment April 2021

Dr. Jette presented district enrollment numbers for April to the Board. He noted that as of May 5, Kindergarten registrations have increased and are at 82; Grade 1 registrations are at 80. He indicated going into FY22 using current enrollment numbers (at this time which is subject to change): K=82; Gr 1=80; Gr 2=79; Gr 3=87; Gr 4=93. He commented that a fifth Kindergarten teacher will be necessary, for which we have a reserve fund.

Mrs. MacDonald asked if middle school level teachers with K-6 certification can fill elementary teacher positions that may be added due to increased enrollment because enrollment at the middle school level seems to be decreased.

Mr. Mitchell indicated that he does not want to speak for the middle school with regard to instructional staff. He proposed the addition of one teacher based on current enrollment and Kindergarten registration numbers. Additionally, he proposed the following staffing for GMS: Kindergarten-5 teachers; Grades 1, 2, 3 - 4 teachers; Grade 4 - 5 teachers. He explained that there is always an uptick of students in grade 4 and the fifth grade 3 teacher can be shifted to grade 4.

Dr. Jette commented that, should the Board approve, the additional Kindergarten teacher position can be posted as anticipated and the Board can release the funds in the Staffing Expendable Trust Fund. He indicated the Board can take up the decision at their next meeting.

• May 12 School Board Retreat

Dr. Jette reminded the Board that there is a retreat next Wednesday for the Board that will focus on training for collective bargaining and negotiations. He indicated Attorney Elwell will provide an overview of CBA laws as the Board prepares to bargain with both associations. He pointed out that it would be wise to begin the process as early as possible since a significant number of school districts have opted to negotiate contracts this year.

Staffing Concerns

Dr. Jette reported that he received a call from WMUR to be interviewed about staffing shortages. He indicated that WMUR is running a series regarding staffing issues across the state in all industries. He explained that he talked about the areas where there are staffing concerns: custodial, food service and paraprofessionals. Dr. Jette noted that the district has several open positions in these categories, which are advertised. He indicated that the day custodian that resigned from the middle school accepted an offer from a neighboring district that offered a \$750 signing bonus and \$5/hour over the salary in our district. He added the position came with a recruitment bonus for referrals for more custodians. He commented currently Litchfield has four food service vacancies, 6 custodial vacancies and 6 paraprofessional vacancies.

Mrs. MacDonald asked at what point do we negotiate outsourcing? She was concerned with sacrificing the cleanliness of the school buildings and risking exhaustion in current staff.

Dr. Jette indicated there are staff that are taking on some extra hours to help the facilities department, but this is now a practical reality.

Mrs. Hershberger asked how much of this is pandemic related or something we need to address.

Dr. Jette indicated the custodial needs are more acute, and we are not competitive in that area.

School Board

Mrs. MacDonald requested guidelines for graduation at the next meeting. Dr. Jette indicated that there will be a solution.

Mrs. MacDonald asked if the portable bleachers at CHS are a hazard since they are not attached to a pad.

Mr. Izbicki indicated the district has reached out to one of their contractor vendors to put the bleachers together and have Primex inspect them when they are completed.

Mrs. Ames expressed her appreciation to all the teachers in the schools for their hard work this year.

II. GENERAL BUSINESS

A. Public Minutes:

April 21, 2021

Mrs. Harrison made a motion to approve the public minutes of April 21, 2021. Mrs. Ames seconded. The motion carried 5-0-0.

III. REPORTS

A. GMS Principal's Report

Mr. Mitchell presented general updates to the Board. He reported SAS testing in grades 3 and 4 will begin next week; the interview process for the three retiring positions has begun; there will be a GMS Blood Drive on May 27. Mr. Mitchell added there are 388 students in school and 34 remote.

Field Day

Mr. Mitchell indicated that Sandra Macmullin, Melissa Girzone, and Kristin Starrett pulled together a small committee and rediscovered how to do Field Day at GMS this year.

Melissa Girzone explained that brainstorming for this idea began in March. The committee collaborated with the PTO, using their Amazon Smile account to raise funds for supplies through website promotion and donations. 188 Amazon items sold out and we raised \$2,018. The committee asked for 800 recyclables and have been doing much sorting and inventory. The PTO is supplying two bouncy obstacle courses and the Kona Ice truck. There will be two sessions: morning and afternoon. K-2 students will enjoy field day events in the morning and STEAM events/activities in the afternoon; Grades 3-4 students will have STEAM events/activities in the morning and enjoy field day events in the afternoon.

Mr. Mitchell indicated that Mrs. Girzone and Mrs. Starrett proposed the idea of combining Field Day and STEAM events. He noted that there has been much success with enrichment this year in its revised operation where they do much work on critical and analytical thinking.

Creation of Mission & Vision for GMS

Mr. Mitchell discussed the creation of a mission and vision for GMS with the Board. He indicated that the School Leadership team has begun their work on creating a Mission and Vision for GMS. This work began a few months ago with the asking of a few basic questions. The goal of this work is to create a mission that centers the work that is done and GMS and decisions that are made, as well as a vision that will guide who we want to be. Results from surveys done with staff and family garnered information for the team to use as a guide to moving toward the goal. Guiding questions that have to be answered center on what we need to get where we want to be and how we will determine when we get there. Team leaders were asked to speak to teachers and come back with six things to define the present and define the future.

Mr. Mitchell commented that this is something that is necessary and something used to define highly effective and successful organizations. He commended the staff for their participation and thanked the families that responded.

Mrs. Harrison commended Mr. Mitchell on the mission and vision creation and the work that has been done.

B. Business Administrator's Report

Mr. Izbicki provided general updates to the Board. He reported that financially the district is in good shape and the fund balance can well handle the encumbrance list at the end of the fiscal year. He indicated based on Board approval received on April 7, he transferred those funds for the LMS project into the trust fund for which part of the funding is from the CARES II grant. He reported he will draft a letter to the Select Board to request the use of impact fees for the LMS renovation project.

C. Committee Reports

Budget Committee

Mrs. Harrison reported that the Budget Committee met on April 22 and discussed the appointment of Scott Taylor to the vacant position. She added the Committee approved the meeting calendar as presented.

• Facilities Improvement Committee

Mr. Bourque reported the Facilities Improvement Committee met this afternoon and discussed the ongoing HVAC work being done in the district.

- GMS:
 - controls that were not working for ventilation are now working
 - work at GMS is complete;
- LMS:
 - duct cleaning and air handler cleaning has been done, which led to the discovery that the air handlers were in bad shape and some were not working properly and filters were either never changed or non-existent
 - air handlers are now operating properly distributing fresh air and MERV 13 filters have been installed
 - HVAC-1 work will be done this summer once the engineer has completed the design;
- CHS:
 - there were problem with mini split units in two computer rooms that were not running properly and have now been replaced and include sensors to alert for temperature fluctuations
 - the auditorium ventilation seemed to be not working properly due to the location of the switch to operate the system, which was in a locked room with limited access; however, the switch is being relocated to a more accessible location;
- Temperature sensors will be installed in all freezers and coolers at all schools;
- LMS kitchen renovation is being planned and will cost much less than anticipated;
- LMS roof replacement will occur over the summer;
- The solar leak at the LMS foundation will be addressed per a recommended [test] plan to install
 insulation against the foundation in two classrooms to see if the comfort level can be increased before
 addressing the remainder of the slab;
- LED lighting will be installed in the office area to determine the efficacy of the lighting;
- LMS windows replacement is on track.

IV. NEW BUSINESS

A. Policies - Review:

- Re-Approval: The following policies have been reviewed for changes and were found to have none.
 - EBBB Student Accident Reports
 - EBCC Bomb Threats
 - EBCD Emergency Closings
 - EBCE School Closings
 - EC Buildings & Grounds Property Management
 - ECAC Vandalism
 - ECAF Audio & Video Surveillance on District Transportation
 - EDC Authorization for Use of District Owned Materials & Equipment

Dr. Jette indicated the policies mentioned above have not changed and are brought forth to the Board for reapproval. Board members reviewed the policies and suggested minor revisions.

Mrs. Harrison made a motion to approve policies EBBB, EBCC, EBCD, EBCE, BC, ECAC, ECAF, EDC. Mrs. MacDonald seconded. The motion carried 5-0-0.

- Policies 1st Reading:
 - JLCD Administering Medication to Students
 - NHSBA Sample Policy JLCD

Dr. Jette asked Mrs. Flynn to explain changes to the policy.

Mrs. Flynn explained that there are laws and regulations that have changed regarding the administration of medications to students in school. She indicated that the school nurses provided their input on the policy and authorization forms. She noted that in comparison with the NHSBA model policy, changes were made to the current policy to align with changes in the law.

Mrs. Harrison made a motion to approve Policy JLCD, Administering Medication to Students, as a 1st Reading. Mr. Bourque seconded. The motion carried 5-0-0.

- Policies 2nd Reading:
 - DKA Payroll Procedures

Dr. Jette suggested that Policy DKA be deferred because there are more current district revisions that need to be made to the policy.

DKC Expense Reimbursements

Mrs. Harrison made a motion to approve policy DKC, Expense Reimbursements. Mrs. Hershberger seconded. The motion carried 5-0-0.

V. OLD BUSINESS

- A. Coronavirus Review and Update
 - Remote Learning Update
 - Current Situation Update

Dr. Jette reviewed the current COVID situation in all schools with the Board:

GMS: 0 staff / 1 student case, 0 staff / 12 students quarantined; LMS: 9 staff / 1 student case, 9 staff / 7 students quarantined; CHS 1 staff / 0 student cases, 1 staff / 1 student quarantined.

Dr. Jette reported many schools are relaxing restrictions on outside events regarding masks and spectators. He indicated that the district feels we should not have to enforce this guidance outdoors; however, students are still required to wear masks. He asked for input from Board members and noted that he will get an update from CHS on the status of graduation plans.

Mrs. MacDonald believes restrictions should be all or nothing.

Mr. Bourque indicated that there was guidance in the reopening plan, which is a fluid document and can be changed.

Mrs. Ames commented that parents are confused about the reopening plan and which parts have changed.

Mrs. Hershberger commented that masks should not be worn outdoors.

Dr. Jette indicated that the NHIAA requires student athletes to wear masks and that guidance has not been lifted at this time.

Mrs. Harrison indicated this is a Board decision, but if we cannot control it then it is not our decision.

VI. MANIFEST

The manifest was circulated and signed by the Board.

LITCHFIELD SCHOOL DISTRICT - SAU 27

Our mission is to provide rigorous and varied educational opportunities that challenge and engage all students to attain their highest level of intellectual, social, physical, and emotional growth. (2007)

VII. PUBLIC INPUT

A. Community Forum There was no public input.

VIII. NON-PUBLIC SESSION: RSA 91-A:3II (a-c)

[Minutes of Non-Public Session are written under separate cover.]

Upon a motion made by Mrs. Harrison the Board entered into non-public session at 7:15 p.m. under RSA 91-A:3II (a) The dismissal, promotion or compensation of any public employee or the disciplining of such employee, or the investigation of any charges against him, unless the employee affected (1) has a right to a meeting and (2) requests that the meeting be open, in which case the request shall be granted. (b) The hiring of any person as a public employee. (c) Matters, which, if discussed in public, would likely affect adversely the reputation of any person, other than a member of the body or agency itself, unless such person requests an open meeting. Mr. Bourque seconded. The motion carried by roll call vote: Mr. Bourque, yes; Mrs. Harrison, yes; Mrs. MacDonald, yes; Mrs. Ames, yes; Mrs. Hershberger, yes.

IX. RETURN TO PUBLIC SESSION

Upon a motion made by Mr. Bourque, the Board returned to public session at 8:50 p.m. Mrs. MacDonald seconded. The motion carried by roll call vote: Mr. Bourque, yes; Mrs. Harrison, yes; Mrs. MacDonald, yes; Mrs. Ames, yes; Mrs. Hershberger, yes.

X. ADJOURN

Mrs. Harrison made a motion to adjourn the meeting at 8:51 p.m. Mrs. Ames seconded. The motion carried 5-0-0.

Respectfully submitted,

Michele E. Flynn Administrative Assistant to the School Board

Litchfield Middle School Tom Lecklider May 2021

LMS Principal's Report

Enrollment as of 5-12-21:

Grade	On-Campus Learners	Remote Learners	% On-Campus
<u>5</u>	<u>80</u>	9	90%
<u>6</u>	<u>87</u>	<u>6</u>	94%
7	<u>75</u>	<u>16</u>	<u>82%</u>
<u>8</u>	<u>72</u>	<u>19</u>	<u>79%</u>
<u>Total</u>	314	<u>50</u>	<u>Total #: 364</u>

Recognitions:

- During Teacher Appreciation Week, our PTO recognized our staff with a wonderful breakfast and lunch in their honor. Many thanks to Mrs. Erdemir and our PTO for their work on this event.
- Each year the New England League of Middle Schools (NELMS) recognizes two scholar leaders, 8th graders, from LMS nominated by their team. This year's recipients are Piper Odum and Nathan Blais. Congratulations to these outstanding students and citizens of LMS. We are very proud. They will be recognized in a dinner in their honor on May 27th.

- Thank you to our Student Council for sponsoring a terrific spirit week before break. The week culminated with a fun pep rally including "Guess Who?" staff baby pictures. A big shout out to our student council students and advisors Ms. Sidilau/Ms. Smith.
- The LMS Amazing Race was an overwhelming success. A huge thank you to our student council
 for sponsoring this event. We had both staff and student teams. In the end, staff team of Mrs.
 Seaver and Mrs. Kramer and student team of Lillyauna Vachon and Anna Cronin reigned
 victorious.
- Congrats to our First Lego League Teams, which competed in the Challenge Qualifier Tournament in early May. Each team gualified for the State Competition in June.
 - o Raiders Team: Josh Steeves, Ivan Schaefer, Ethan Johnston, and Liam Stone
 - Circuit Breakers Team: Hannah Couture, Gwen Harrington, Addie Leary, Addy Smith and Kaitlyn Brown (Won the Core Values award)
 - Team Inspiration: Chloe Goodman, Vivvian Lambert and Olivia Demers (Won the Judges' Rookie Award)
- Our PTO is planning a blood drive for late May. A big thank you to Tara Herschberger for
 coordinating this important event for our community. Mrs. Rooney, our health teacher, is working
 closely with Tara to provide an education piece for our students with this important event for our
 community.

Curriculum, Instruction, and Assessment Highlights:

- Performance Assessments
 - o Entrepreneur Day Grade 6 Social Studies -
 - Ms. Sidilau is planning Entrepreneur Day for our grade 6 students.
 - Cardboard Arcade Tech Ed/STEAM Class
 - Mr. Momnie's classes have been designing games/activities for a cardboard arcade. Our students work has been innovative and creative.

• LMS Space 2021-2022

• With the portables moving out on 7/1. We have re-configured our space at LMS. This is the overview of room locations.

• LMS Lynx: Leaping Forward:

Our grading/reporting and leadership team has been meeting monthly for the past few
months. We have been discussing competency recovery, work study practices, values
that are important to our team. As a result of these discussions, we are examining our
Mission, Vision, and Values. This is where the work of the various teams comes together.

Assessment:

The NH SAS (State Assessment) continues through May. We will began testing in April.

Grade 5	ELA	Math Science			
Grade 6	ELA	Math			
Grade 7	ELA	Math			
Grade 8	ELA	Math	Science		

Items of Note:

• LMS Athletics:

- Baseball 1-0
- o Softball 3-0
- Track had its first home meet on Tuesday, 5/11. Our students were very competitive.

PBIS:

 Our PBIS Team is coordinating a rollout to recognize students and their positive behaviors related to Showing Respect. Thank you to our coach Mrs. Morrissette and our PBIS team for their ongoing work on our rollouts. We wrapped up our Taking Responsibility rollout before break. <u>Click here for the latest recognees</u>. Congrats to these students!

Upcoming Dates:

May:

- 27 Litchfield Community Blood Drive
- 31 Memorial Day holiday (no school)

June:

- 1, 2, 3 Concerts
 - o 1 Choral, 6p & 7p
 - o 2 Band, 6p (Gr 5) & 7p (Gr 6)
 - o 3 Band, 6p (Gr 7) & 7p (Gr 8)
- 4 Gr 8 Social, 6-8p (LMS Gym, Caf)
- 8 Gr 4 Meet and Greet with Counselor (Virtual)
- 10 Gr 4 Move-Up (Small Groups)
- 10 Gr 4 Parent Night (Virtual)
- 11 Ed Gerety Enrichment, Gr 7 & 8
- 15 Academic Honors
- 16 8th Grade Promotion Ceremony at CHS, 6p
- 17 Last Day of School

To: The Members of the Litchfield School Board Superintendent Mike Jette

From: Cory Izbicki, Business Administrator

Subject: BA Operational and Financial Update for May 19, 2021 School Board Meeting

The purpose of this monthly report is to update the School Board regarding day to day and ongoing operations that would be of particular note.

Project Updates:

- LMS Energy Efficiency:
 - Formal contracts approaching completion.
 - Windows for the project have been ordered by North Branch. Cost did come in \$36k less than initially anticipated.
 - North Branch has begun the bidding for subcontractors for the project (electrical, mechanical, etc). Initial bidding walkthroughs will take place next week..
- LMS Portables:
 - Schiavi has been notified that the portables will be available for pickup as of July 1. Contract for removal has been signed, and a checklist has been provided by Schiavi. Checklist is consistent with the District planning document.
 - Progress check in's are held once a week to make sure we are on track.

Year to Date Financials

- Financial information for the general fund has been provided with this report for review.
 - General Fund Financial Statement (As of 5/16/2021, please note, subsidy due to food service from the general fund for the deficit as of 4/30 are taken into account in the expenditures and interfund payable).
 - Year to Date Revenue Status
 - Year to Date Expenditure Status (Encumbrances for prior and subsequent year taken into account).
 - o Food Service Financial Statement (As of 4/30/2021)
 - o Grants Financial Statement (As of 4/30/2021)
 - Capital Project Financial Statement (As of 4/30/2021)
 - Trust Fund Financial Statement (As of 4/30/2021)
 - Summary of Trust Fund Activity (As of 4/30/2021)
 - o I will speak to these documents at the meeting.

Respectfully Submitted,

Cory Izbicki, Business Administrator

LITCHFIELD SCHOOL DISTRICT

SCHOOL BUS SAFETY PROGRAM

The safety and welfare of student riders will be the first consideration in all matters pertaining to transportation. Safety precautions will include the following:

- Students will be instructed as to the proper procedure for boarding and exiting from a school bus and in proper and safe conduct while aboard.
- Emergency evacuation drills will be conducted at least two times a year (October-May) to acquaint student riders with procedures in emergency situations,
- All vehicles used to transport students will be inspected on a regular schedule to see that they meet applicable safety regulations.
- All drivers will be screened before employment for physical condition, proper license, and experience. The prior driving record of each driver will be checked for drug and alcohol or other convictions and a criminal records check must also be completed.
- The Litchfield School Board authorizes use of video and/or audio surveillance on school buses to ensure the health welfare and safety of all students while riding on school buses (see policy ECAF)

The Litchfield School District and Transportation Contractor will comply with all state and federal laws and regulations pertaining to the operation of school buses and will make these requirements known to bus drivers, as well as cooperate with local safety officials in formulating and accomplishing its school bus safety program.

LITCHFIELD SCHOOL DISTRICT

REQUIREMENTS FOR SCHOOL BUS DRIVERS

The Litchfield School Board believes that the safety of students while being transported to and from school or school activities is of utmost importance and is the primary responsibility of the driver of the vehicle. To fulfill such a responsibility, the Board believes that each driver, as well as others who perform safety-sensitive functions with commercial vehicles that transport students, must be mentally and physically alert at all times while on duty. To that end, the Litchfield School Board has established this policy related to the fitness for duty of transportation personnel.

The Litchfield School Board contracts transportation services for the District through a vendor. In accordance with RSA 200:37, the School District shall require from the vendor to provide certification with respect to the physical condition of drivers in accordance with the requirements of 49 C.F.R. Part 391.41-391.49. Such certificate shall be provided to the School District prior to the commencement of such employment and the District shall retain a copy of such certification. Every 2 years thereafter, either prior to the commencement of the school year or prior to the reemployment of such persons as a school bus operator, the School District shall require submission of a like certificate, except that school bus operators attaining the age of 70 shall be required to undergo an annual examination and to submit a certificate annually.

In compliance with the United States Department of Transportation's Title 49 Code of Federal Regulations, Part 391, all CDL holders and personnel performing safety-sensitive functions related to the transportation of the students shall be required to submit to drug and alcohol testing. Testing procedures and facilities used for the tests shall conform to the requirements of the 49 C.F.R. Part 40.

The School District contracts with a vendor to provide student transportations services, therefore, the vendor shall be the employer and provide written assurance to the District on an annual basis that they are in compliance with the Mandatory Drug and Alcohol Testing requirements. The Drug and Alcohol Testing shall include pre-employment, random, reasonable suspicion and post-accident testing as defined by Department of Labor Regulations. The School District supports a zero tolerance policy related to substance abuse.

SPECIAL USE OF SCHOOL BUSES

School bus services may be used for student field trips, athletics, and school activities. However, such use will be subject to availability as school buses for regular school transportation will take priority.

The administration will develop and the Board will approve specific regulations relating to the use of buses for student activity purposes. The Superintendent or his/her designee will be granted authority to approve the use of school buses for specific trips within the above guidelines.

Any use of school buses for student or school activities that are not included in the approved budget must be approved by the Business Administrator prior to use.

FREE AND REDUCED LUNCH PRICING POLICY

In accordance with federal regulations, the Litchfield School District shall make available to all children of low economic means and children of moderate income families experiencing financial difficulties free or reduced priced lunches through the School Lunch Program in the local school(s).

Parents/Guardians who believe their children are eligible may contact the Director of Food Services for an application. Determination will be made relative to their eligibility based on federal guidelines currently in effect. Parents/Guardians may appeal a negative determination to the Superintendent of Schools. The only means of identifying the children who are receiving free or reduced price lunches would be through the Point of Sale (POS) System. This information will be kept confidential, thus, the children will remain anonymous.

The procedure for securing lunches in the district will be through utilization of the Food Service Point of Sale (POS) System, which will be programmed with the approval of free or reduced price lunch data.

RISK MANAGEMENT

The Litchfield School Board recognizes its responsibility for properly managing the resources of the school district. This responsibility includes concern for the safety of students, employees and the public, as well as concern for protecting the district's property from loss. No new policy or procedure shall be adopted or approved by the Litchfield School Board without first giving careful consideration to the school district's risk exposure.

Administration of this policy will be under the direction of the Business Administrator, who is charged with responsibility to regularly identify, evaluate, and eliminate exposures, develop strategies to control losses, place insurance coverage, maintain property appraisals and inventories, process claims, maintain loss records, supervise loss prevention activities, and Chair the District's Joint Loss Management Committee (JLMC).

The Litchfield School Board may institute a planned, funded program of self-insurance where risks can be reasonably predicted, combined with excess insurance against catastrophic loss, or participate in a pooled risk management program.

Insurance will be provided against all major exposures through the purchase of appropriate types of policies, combined wherever possible or practical in one policy, and utilizing maximum feasible self-insurance through use of deductibles. When the purchase of commercial insurance is deemed necessary, such purchase shall be made on the basis of service offered by the insurer, the reliability and financial stability of the insurer, and the price of the insurance as competitively determined.

The Litchfield School Board does not recognize any obligation to purchase insurance from a particular agent, broker or insurer representative or from any group of agents, brokers or insurer representatives other than an obligation based on the above stated considerations.

Minimum information to be maintained for planning, budgeting, loss control and overall financial management, includes at least the following:

- Policy schedule of exposures;
- 2. Losses incurred and paid;
- 3. Property valuations;
- Inspection and maintenance records for all property;
- 5. Emergency plans.

The Litchfield School Board charges the Superintendent or, by designation, the Business Administrator, with the responsibility for preparing an annual risk management audit report for review by the School Board. The report shall include a description of the system's current risk management program and a summary of the existing insurance coverages.

POLICY CODE: EI

INSURANCE & POOLED RISK MANAGEMENT

The Litchfield School Board may procure appropriate insurance to protect against such risks of loss, cost or damage to itself, its employees or its pupils, or other loss. Such insurance may include property, general liability coverage, automobile liability coverage, crime coverage, public officials scheduled bond, and other coverage as the Litchfield School Board may determine. Liability limits for all coverage shall correspond to those limits established by applicable law.

The Litchfield School Board may also participate in a pooled risk management program. The pooled risk management program may be utilized for:

- the defense of claims and indemnification for losses arising out of the ownership, maintenance, and operation of real or personal property and the acts or omissions of school officials, school employees, or agents of the school district;
- the provision of loss prevention services including, but not limited to, inspections of property and the training of personnel;
- the investigation, evaluation, and settlement of claims by and against the school district.

Membership in a pooled risk management program shall conform to the provisions set forth in RSA 5-B and related statutes.

EMPLOYEE EXIT INTERVIEWS

The Litchfield School District recognizes the importance of promoting and maintaining personnel practices that foster constructive employee feedback and suggestions.

Purpose

The purpose of this policy is to identify workplace, organizational or human resources factors that have contributed to an employee's decision to leave employment; to enable the district to identify trends requiring attention or any opportunities for improving the district's ability to respond to employee issues; and to allow the district to improve and continue to develop recruitment and retention strategies aimed at addressing these issues.

Scope

This policy applies to employees who are either:

- Resigning from their current position to leave the school district
- Moving to another position in a different district
- Retiring from the district.

Procedure: In-Person

- The exit interview will be available to the employee within the employee's final week of employment.
- The employee will be contacted in writing to invite him/her to participate in an exit interview.
- The interview will be conducted by the Director of Human Resources.
- The parting employee may request the Superintendent attend the interview.
- The employee will be asked a standard set of questions and given an opportunity to provide feedback or any information they feel would be beneficial for the district to know about their employment experience at the Litchfield School District.

If the employee chooses not to participate in an exit interview, they will be provided the opportunity to complete the Exit Interview Form in writing to be submitted to Human Resources in a timely manner.

Any information received through exit interviews shall be confidential. The information will be analyzed regularly by the Administration to identify areas or determine trends that may need to be addressed.

PAYROLL PROCEDURES

All salaries and supplements paid to all full-time and part-time staff members, substitutes, self-funded and adult education program staff, and student workers shall be paid through the Business & Finance School District Office.

Proper payroll procedures are dependent on staff attendance accounting and on the accurate reporting of actual hours and times worked of part-time and hourly staff. The necessary procedure for this shall be established by the Superintendent, or designee, and carried out by the administrative personnel.

Failure to accurately report attendance, or submitting false time cards are grounds for disciplinary action, up to and including termination, by the Superintendent.

Compensation records kept by the Business & Finance School District Office shall reflect an accurate history of the compensation and related benefits paid to each employee, and shall meet all requirements of federal and state reporting.

Pay Day Schedule

The Litchfield School District pays salaries on a regular bi-weekly schedule throughout the school year. The District shall offer a direct deposit option to employees. to allow for timely payment should the pay date fall during a school vacation. There shall be no salary advances for any staff member.

Voluntary Salary Deductions

Voluntary salary deductions are allowed. They are subject to federal and state regulations, and the limitation of the financial management system. Authorized payroll deductions include:

- 403(b) Contributions
- Union Dues
- Insurance Premium Contributions
- Voluntary Contributions to the New Hampshire Retirement System
- Health Savings Care Reimbursement Account
- Dependent Care Assistance Account

All salary deductions, other than those regulated by federal or state laws, shall be deducted only upon written approval of the employee.

ADMINISTERING MEDICATION TO STUDENTS

The Litchfield School Board believes that every effort should be made to minimize the administration of medication to students in schools. If it is possible, parents/guardians are urged to administer medication before school and/or after the student returns home. However, should it be necessary for a student to take prescribed medication during school hours, whether prescription or over-the-counter (OTC), the student will be supervised by the school nurse who shall be responsible for administering the medication. If the nurse is not available, the building principal or designee may assist students in taking required medications by making such medications available to the student as needed and observing the student as s/he takes or does not take his/her medication (NH Nurse Practice Act,; NH Code of Administration Rules Nur 404).

This policy shall extend to any school sponsored activity, event or program.

Medications

(Please note: Medication refers to all drugs prescribed by a licensed physician, advanced registered nurse practitioner, or licensed physician's assistant, as well as non-prescription or over-the-counter drugs (cold/cough medicines, analgesics, aspirin, antacids, ointments/creams, calamine/Neosporin, herbal medications, etc.)

Prescription medication will be administered in school only after receiving and filing in the student's health record the following documentation:

- a written statement from the licensed prescriber detailing the method of taking the medication, dosage, and time schedule of the medication (NH DOE Rule 311.02 (i)(1)
- a written authorization from the parent/guardian indicating the desire that the school [nurse] assist the student in taking the prescribed medication (NH DOE Rule 311.02 (i)(2,3)

Over-the Counter Medication may be administered to a student with previous written authorization from the parent/guardian. The school nurse may, however, require a licensed prescriber's order, or further information/direction from a licensed health care provider (i.e., physician, advanced registered nurse practitioner, licensed physician's assistant or dentist), before administering an OTC medication to a student. The authorization shall contain the same information, with the same access, as is required relative to prescription medications.

All medication must be delivered to the school nurse or principal/designee by the parent/guardian. All prescription medication must be delivered and contained in its original pharmacy container. The school nurse is directed to keep such medications in a locked cabinet or refrigerator. No more than a 30-day supply will be kept and maintained by the school.

POLICY CODE: JLCD

APPROVAL:

LITCHFIELD SCHOOL DISTRICT

2ND READING

The school nurse will contact the parent/guardian regarding any unused medication. Such medication shall be picked up by the parent/guardian within ten days after its use is discontinued. If the parent/guardian does not pick up the medication within ten days, the school nurse may dispose of the unused medication and record as such in the student's health record file.

The school nurse is responsible for keeping accurate records regarding the administration of medication to students.

To the extent consistent with NH Nurse Practices Act, RSA 326-B, the school nurse may at his/her discretion accept verbal instructions from a licensed health care provider relative to administration of a prescription medication, and verbal instructions from a parent/guardian with respect to an OTC medication. In both instances, the verbal instructions shall be followed by written statements as provided above.

Students 18 years of age or older, and not under guardianship, are subject to the same rules set forth in this policy with the exception of parent authorizations and responsibilities, which shall be required from such student.

Emergency Administration of Medication

The school nurse or other properly designated personnel may administer other medications to students in emergency situations provided such personnel have all training as is required by law.

Field Trips & Other School-Sponsored Activities

A single dose of medication may be transferred by the school nurse from the original container to a newly labeled container for the purposes of field trips or school sponsored activities. For trips or activities necessitating more than one dose, special arrangements for administering medication must be approved by the school nurse or, in the nurse's absence, the Principal.

Self-Administration & Administration of Epinephrine Auto-Injectors & Inhalers

Students may possess and self-administer an epinephrine auto-injector if the student suffers from potentially life-threatening allergies. Both the student's parent/guardian and physician must authorize such self-possession and self-administration. If a student finds it necessary to use his/her auto injector, s/he shall immediately report to the nearest supervising adult. The school nurse or building principal may maintain at least one epinephrine auto-injector, provided by the student, in the nurse's office or other suitable location. Students may also possess and self-administer a metered dose inhaler or a dry powder inhaler to alleviate or prevent asthmatic symptoms, auto-injectors for severe allergic reactions, and other injectable medications necessary to treat life-threatening allergies. Both the student's parent/guardian and physician must authorize such self-possession and self-administration as prescribed in this policy.

LITCHFIELD SCHOOL DISTRICT

2ND READING

In unique circumstances, a student may need to possess and self-administer other medications at the direction of their physician. Both the student's parent/guardian and physician must authorize such self-possession and self-administration. After administering such medication, a report must be made by the student to the school nurse for record keeping purposes.

Other emergency medications, such as insulin, may be carried and self-administered by the student only with prior approval by the school nurse and written statements from a licensed health care provider and a parent/guardian as prescribed in this policy.

Written Authorization

All written authorizations by physician and parent/guardian for medications to be administered to students during school hours will be required to be renewed at the beginning of each school year during the student's enrollment.

Other Uses / Administration Prohibited

No person shall share or otherwise administer any prescription or over-the-counter medication with another student except as provided in this policy. Each year the District shall notify students and parents/guardians in writing of these prohibitions (student handbooks). Violations will result in appropriate disciplinary action, including but not limited to suspension or expulsion.

The Superintendent, in consultation with the school nurse(s), shall be responsible for establishing specific procedures to control medications administered in schools (e.g. delivery, storage, authorization, record keeping, reporting, etc). Such procedures can be found in Administering Medication to Students Procedures. Additionally, and pursuant to NH DOE Rule 311.02(k), each school nurse shall develop and implement building specific protocols regarding receipt and safe storage of prescribed medications.

JLCD-R: ADMINISTERING MEDICATIONS TO STUDENTS PROCEDURES

A. Written Authorizations Prescription Medications

In order for prescription medications to be given at school, the following shall occur:

- 1. The school nurse shall ensure that a written statement from the licensed prescriber containing the following be filed in the student's health record:
 - a. The student's name;
 - b. The name and signature of the licensed prescriber and contact numbers;
 - c. The name, route and dosage of medication;
 - d. Specific recommendations for administration;
 - e. The frequency and time of medication administration or assistance;
 - f. The date of the order; and
 - g. A diagnosis, if not a violation of confidentiality;*a diagnosis is necessary as nurses may not dispense medications without one.
- 2. The school nurse shall ensure that there is written authorization by the parent and/or guardian that contains:
 - A list of all medications the student is currently receiving, as well as the student's complete medical history, if not a violation of confidentiality or contrary to the request of the parent, guardian or student that such medication be documented;
 - Approval to have the school nurse administer the medication, the student to possess and self- administer and/or the principal or his designee assist the student with taking the medication; and
- The school nurse shall ensure the authorization or other accessible documentation contains:
 - a. The parent and/or guardian's home and emergency phone number(s); and
 - b. Persons to be notified in case of a medication emergency in addition to the parent or guardian and licensed prescriber.

POLICY CODE: JLCD

LITCHFIELD SCHOOL DISTRICT

2ND READING

POLICY CODE: JLCD APPROVAL:

Non-Prescriptions/Over-the-Counter Medications

Non-prescription and OTC medications shall be administered only with the written authorization of the parent/guardian. The authorization shall contain the same information, with the same access, as is required relative to prescription medications as prescribed by this policy.

The above procedures will also apply to students who require medication while participating in field trips or overnight trips.

To the extent consistent with NH Nurse Practices Act, RSA 326-B, the school nurse may at his/her discretion accept verbal instructions from a licensed health care provider relative to administration of a prescription medication, and verbal instructions from a parent/guardian with respect to an OTC medication. In both instances, the verbal instructions shall be followed by written statements as provided above.

Students 18 years of age or older, and not under guardianship, are subject to the same rules set forth in this policy with the exception of parent authorizations and responsibilities, which shall be required from such student.

B. Delivery of Medication to School

- A parent, guardian or a parent/guardian-designated, responsible adult shall deliver all medication to be administered by school personnel to the school nurse or other responsible person designated by the school nurse as follows:
 - a. The prescription medication shall be in an original pharmacy or manufacturer labeled container;
 - The school nurse or other responsible person receiving the prescription medication shall document the quantity of the prescription medication delivered; and
 - c. The medication may be delivered by other adult(s), provided, that the nurse is notified in advance by the parent or guardian of the delivery and the quantity of prescription medication being delivered to school is specified.

C. Storage of Medication

- All medications shall be stored in their original pharmacy or manufacturer labeled containers and in such manner as to render them safe and prevent loss of efficacy.
 Parents/pharmacist must measure a single dose of medication from this container to a newly labeled container for the purposes of field trips or school sponsored activities.
- All medication to be administered by the school nurse shall be kept in a securely locked cabinet, which is kept locked except when opened to obtain medications. Medications requiring refrigeration shall be stored in a locked box in a refrigerator maintained at

THE PARCESS

LITCHFIELD SCHOOL DISTRICT

2ND READING

POLICY CODE: JLCD APPROVAL:

temperatures of 38 - 42 degrees. Emergency medications may be secured in other locations readily accessible only to those with authorization.

C. Recording Provisions

- 1. Each school will document the following information regarding medication taken by each student:
 - a. Name of medication prescribed;
 - b. Dose and route of administration;
 - c. Date and time of administration;
 - d. Signature or initials of adult present;
 - e. Other noteworthy comments.
- 2. Each school shall develop and maintain a paper or electronic system to document the information required in this section, which shall allow for secure communication of the information recorded in the items prescribed in Section C.

If student refuses to take or spills medication, or medication is lost or has run out, such shall be recorded and parents/guardians shall be notified.

Recording cannot be altered; if an error occurs, a line is to be drawn through the entry and correct data recorded in line below and signed.

D. Student Health Records

Physicians' written orders and the written authorization of parents or guardians should be filed with the student's cumulative health record and kept for a period of time as determined by the New Hampshire Department of Education's Records Retention Schedule. Health records concerning students who receive special education services should be retained as long as the student is in a special education program and there is district liability for the education of the student.

Records shall be available to representatives from the State Division of Public Health and/or State Department of Education to the extent consistent with the Family Education Rights and Privacy Act (FERPA).
